REMINDER:

Trip Cancellations

Reservations for many of the day trips require a deposit – with specific deadlines for confirmation without loss of deposits. If we do not receive enough sign-ups to cover the trip expenses by that time, we are forced to cancel the trip or lose our deposit. If you plan to purchase a trip, sign up as early as possible. Please do not postpone making your reservations until a trip falls into jeopardy, as cancellations are disappointing for the Travel Office as well as for the intended travelers.

Thank You.
